The "Pennsylvania Dutch" is a way of life: The Christmas "putz", the crazy-clean housewife with a broom, Amish wagons on Ridge road, clocks set half an hour ahead, apple tarts and "snitz" pies, fat red barns, horse chestnuts spilling their nuts on the brick pavements of village streets. Ya . . . it is a good, clean, wholesome way of life—a way which more of the world should follow.

On this, the one hundred and twenty-fifth anniversary of Mechanicsburg—a community founded by Dutch descendants and still marked with Dutch influence,—we, the Editors, dedicate this book to our community and its way of life. It is our fervent hope that the future will provide for us the opportunity to eat "Schnitz 'un Knepp" and remember the quaint, colorful Pennsylvania Dutch and our community. We Proudly Present . . .

CARL R. KOCH**

We believe, as did Diogenes, that the foundation of every state is the education of its youth. All of us here have had the privilege of becoming acquainted with our fine social heritage—a heritage of liberty and law, of science and art, of language and literature, of morals and religion.

In order that our world civilization may have stability it must be seasoned with the ingredients of righteousness, charity, service, and sacrifice. Its character and fruits will be determined primarily by the extent to which you and I are energized intellectually and moved spiritually to practice the Golden Rule, and to believe in the brotherhood of man.

You have been taught the value of knowledge, adequate preparation, a trained mind, a healthy body, moral character, and a perseverance that triumphs over difficulties. As you draw on these resources with confidence you will be equal to each occasion. May your paths lead you to ever nobler and happier endeavors.

Congratulations and our sincere best wishes.

Carl R. Koch

More than one thousand individuals have contributed their services to create the history herein recorded by the Class of 1954. Each student and teacher endeavored, through classes, teams, clubs, and other small units, to secure personal achievement and advance the best interests of the larger unit—his school. May we recognize and appreciate the singular contributions, large or small, by each person associated with Mechanicsburg Area Joint High School.

At first glance, this volume is fundamentally a pictorial review of school activities for the 1953–54 term. Photographs alone, however, furnish only two dimensions. The essential third dimension depends on the imagination, the memory of the viewer. Herein is revealed the true value of the Artisan. Each photograph has varied impact—victory or defeat, joy or sadness, pleasure or disappointment. However, the over-all effect as one scans these pages will be fond recollections of good times, good friends, and grand experiences.

The Class of 1954, represented by the Artisan staff, is to be congratulated on an excellent production. May your third dimensional view of its pages deepen with each passing year.

THE SENIOR CLASS

THE SENIOR CLASS HISTORY

"What giffs that you ain't good?
Ach! I hear that the class of '54
is about to outen the glow of their
friendships and happy times at MHS"

Our yesterdays at MHS have shaped our today. Ahead of us lies even a greater day—one in which each of us will explore the "Worlds" about us. Therefore we will select our future rolls as all of us have a contribution to make in life.

We have behind us a strong beginning under the leadership of our competent Freshman Class officers: President, Robert Enck; Vice-President, James Davis; Secretary-Treasurer, Sandra Becker; Student Council Representative, Carl Straub. We couldn't help but have assurance of a pleasant and most gratifying school life. Bring back your memories of that timid freshman year. Yes, we finally entered into the picture through our Freshman Assembly.

Then came 1951, a second year as upper-classmen. Although sophomoric in manner, we brought forth fruitful results. "The Regent", we chose as our distinctive class ring—and who'll ever forget that Sophomore Assembly—"No Suit for Bill"? The class party in March, our social event, highlighted the year.

Entering our junior year, full force ahead, we made strong attempts in establishing ourselves permanently.

Our hidden talent began to peer through. This was quite evident in the junior play, "A Mind of Her Own," which will long remain in our train of memories. It invited a packed house, thus enriching our treasury.

Not only did we possess a dramatic excellence, but band and glee club also felt junior influence.

In the eyes of the seniors, we proved our true worth when home room 16 vainly walked away with the basketball pennant, after defeating home room 20, needless to mention, a senior home room.

But we juniors weren't contented; we yearned additional success. So onward to prove our volley ball prowess by winning the intramural tournament.

It took the class of '54 to have an excellent Junior Assembly, unlike that of former years: a program in the form of a T.V. show led by emcee Straub, won us honors of distinction.

A serious and most impressive National Honor Society assembly proudly took in eight members of our fellow classmates—and five members the following year. This all marked success on the part of our persevering honor students.

To further our reputation socially, we gave to the Seniors of '53 a most memorable prom.

On the seventh of September, one hundred and fifty students of MHS took their new seats for the last time. As we entered the doors, we noticed already a feeling of finality—and we were going to make the best of it. The senior whirl of activity began in early October at the football refreshment stand. The Saturday morning clean-up can hardly be forgotten. Our bevy of Anniversary Queens made the Halloween parade an outstanding memory to many.

Groping for money, we canvassed the community with a door-to-door campaign for magazine subscriptions. Not being satisfied, we turned salesmen again for Christmas candy with the guiding help of our capable class dean, Mr. Davis.

By this time the flustered seniors were thinking unconsoling thoughts of the approaching graduation. Certain preparations were made for the day of "Pomp and Circumstances"—measurements for caps and gowns . . . announcements . . . name cards . . . exchanging of class pictures. The little notes on those pictures will be a permanent memory of all our classmates.

The '54 seniors will be remembered for athletic ability—shown all four years in our sports. Those thrilling, spilling, gridiron classics will always be etched in the minds of the players and spectators.

Our gals will graduate with the pride of being the first class to participate in organized girls' sports for four years.

We are proud of an outstanding record we're leaving with MHS . . . Christiane Wendt we claim as our own, the first exchange student at MHS; and the unsurpassed leadership of Bob Enck and Carl Straub, both class officers who led us through six years of high school. Try and beat this! 1954 brought to our school a senior play which was a smash-hit. "Years Ago", in a 19th century atmosphere, was presented by a terrific cast under the direction of Mrs. Parsell.

Besides the special projects and events of our class, the entire school felt our influence. Music, art, sports, dramatics, government—all were well-represented with seniors. The mural of the Pennsylvania Story was the project of senior artists which they dedicated to the school. Band and Glee Club were composed of many seniors. Indeed, every senior high activity and organization claimed some of our class.

Socially the seniors had their grand class party on February 20. The spring whirl of activity was highlighted by the memorable Prom, held for us by the Junior Class. Then time for class day, the finale of our social whirl.

Ach, there's the old Dutch saying, "When it gives a little red house, then it makes all." We, the class of '54 have "made all." But we can't "outen the candle" of our education. For the light of that candle will shine the way for us down all our pathways of life; and its brilliant glow will reflect the pleasant memories, the mistakes, the fun, the work and the friendships of the most valuable days of our life.

But now it is our sincere hope and our last request that all the future classes of MHS will take up our candle and hold it high, hold it with the same pride and thrill that we will remember it by. And if they do, and assuredly they will, the true spirit and friendliness of our Alma Mater will ring in our ears forever—and offer the light to show us the way to success.

<i>Secretary-Treasurer</i>	JOYCE KILE
<i>Council Representative</i>	JAYNE DIEHL
<i>Dean</i>	MR. ROY MALONE

Starting off on the right foot as freshmen, the Junior Class entered into a wide field of activities. Band and Glee Club witnessed young and vigorous students always appearing willing to learn. They elected as their officers: President, Martin Myers; Vice-President, Linda Mohler; Secretary-Treasurer, Marlene Jumper; Student Council, Thomas Simpson. New subjects and teachers were quickly adapted to and the frosh emerged after the first six weeks with an outstanding high honor list. Not only as freshmen, but even now their I.Q. can't be matched. Their honor roll outnumbers all others of the school.

Their sophomore ring committee chose "Golden Arrow" as their class ring with the class agreeing whole-heartedly. Martin Myers, John Mackey, Marty Bowman and Jayne Diehl guided them through an eventful year as their class officers.

The main event as 10th graders was the sophomore class assembly—and who'll ever forget it!! A play and talent show proved the soph's to have "what it takes", even on stage. Their sophomore class party will long be remembered to every junior. Dancing, eating, and a display of the class's card sharks highlighted the entertainment of the evening.

As juniors, and now up among the "wheels," they offered many a laugh from their wild, beaten expressions on the faces of geometry and French students! . . . not to mention chemistry!!

The class of '55 made its stage debut in the comedy play, "Young April," in December. Full houses both nights influenced the excellent performance and long will it be remembered as the outstanding "rib-tickler" of '54.

Peanuts sold by the juniors fattened their treasury and helped sponsor the Junior-Senior Prom which was the social event of the year, held at Penn-Harris Ballroom. What a fine climax to the year!

They have their final and best year to journey. The days will fly and through worry and cares you'll have to admit, it's been a wonderful place to be, and proudly proclaim its name to everyone who cares to hear.

Backstage with junior talent.

Juniors rate "colossal" after presentation of their fine assembly.

Dramatics, music, government were abounded by the Sophomore Class this year, as they entered full force into the many activities offered to them. The response by the class of '56 was enthusiastic, and outnumbered prior sophomore classes with their interest in all school projects.

The sophomores were off to a good start this year when they chose as their class ring "Catalina," which won the approval of the student body.

Enthusiasm in room 26, needless to say biology class—was definitely indescribable! Dissecting frogs and rats was their main ambition, and in which they so well succeeded. They adopted "the newcomer" to MHS biology class, the "ferocious" alligator, as their prize project of the year. They will him to the future sophs at MHS.

 Row 6: Basehore, Cramer, Martin, Kohr, Luchenbaugh, Hoffman, Smith, Houseknecht, Dietch, Vogelsong, Short, Panza, Kintz, Hertzler, Harvey.*

Talent in this class is unlimited. Musicians, dramatists, athletes make an all-around social class evident. This was proven when MHS received the soph's "superb" class assembly. MHS is lucky to have first string men in sports from '56—maybe a championship lies within this class!

To complete a wonderful year, their first year as upperclassmen, the sophs celebrated their success by way of a rousing class party. A nearly perfect attendance satisfied the ambitious committees who made possible this fine climax to the year.

Their memories of '54 are varied and different, but what is most evident to all is that only two more short years are left for them to fill in their book of memories.

Enthusiasm of the ring committee led to the selection of "the Catalina."

A sure pair for success.

FRESHMAN CLASS

<i>Council Representative</i>	PHYLLIS RHODES
<i>Dean</i>	MR. GUY L. VOGELSONG

Having two years of their high school completed, the freshmen first were noticed to be wandering around MHS's vast halls with a look of bewilderment and anticipation. They accustomed themselves quickly to new halls, teachers and particularly their new subjects. Everyone noticed the "questionable" look on the faces of students emerging from algebra and Latin classes. The guy or gal who received A's the first six weeks was considered quite the lucky one.

Leading their class off to a fine start were their class officers: President, David Kapp; Vice-President, Larry Holtzman; Secretary, Sandra Stough; Treasurer, Jonnie Book; Student Council Representative, Phyllis Rhodes.

The frosh went all out for the many activities offered them. Many seats were filled in the band, many dramatists made their debut on stage, and opposing teams in sports will have to face grim, determined Wildcats for three more years!

Our social functions attracted many a frosh. Dances with first dates soon became weekly "grants."

They enjoyed their first class party which was the highlight of their year, and made the desire for future years at MHS even more inevitable.

The class of '57 has three more years of fun and work ahead of them. Throughout this time, they will become even more important and indispensable to MHS. But in the too soon approaching year of 1957, they will find themselves remembering all the good times and fun they've had in MHS, and regret their approaching graduation.

The frosh displayed their dramatic talents in the form of a variety show and play, in their annual freshmen assembly.

1913 . . . a cozy Massachusetts dining room . . . a new-fangled phone . . . a most-cooperative cat . . . quaint, colorful costumes . . . a sprightly Broadway hit . . .

Ruth Gordon Jones, a pert, dreamy girl whose very desire is to become an actress like Hazel Dawn, has quite a bit of competition with her understanding mother and all-too-excitable father. Between the pleas and acts of her beau, Fred Whitmarsh, and the demand of her father to become a Physical Culture instructress, Ruth has many difficulties to cope with. Her close friends, Katherine Follett and Anna Witham understand her plight and are equally enthusiastic about her proposed trip for an interview with Mr. John Craig of the Stock Company in New York City.

Her understanding mother pleads with Ruth to "tell Papa" that her ambition is to become an actress. Clinton, too bothered with the disgusting cat and the dribble, dribble of the money for grocery bills, has no idea of his daughter's visions. A former navy man himself, he feels that Ruth should attend Miss Glavin's Physical Culture School, out Brookline way. Clinton is so insistent that he invites Miss Glavin and Mr. Bagley, a Y.M.C.A. man, to spend an evening "looking Ruth over".

Trying hard not to submit, Ruth finally is accepted at the school and is told to bring her serge bloomers along the following day. Besides this, Ruth has been asked by Fred, a Harvard man, to go to Class Day. Although wanting to, she is still hesitant about accepting the invitation. Fred, after being assured it wasn't "someone else", promises to write Ruth at her room in the city.

Then, father is told!

At first he doesn't say much—but then, man! Papa's first question is whether Ruth has "the stuff" to go on Broadway. After continual persuasion and persistency, Clinton realizes that he can't change Ruth's mind. Recalling some of the events and experiences of his childhood days and his later trips as a sailor, father gives his daughter some helpful advice for her new venture. He recalls his unhappy times and promises Ruth his support for her desire. Telling mother to take care of the "faith end", Clinton gives Ruth a hundred dollars. So excited and thrilled by this act, Ruth almost cries, and promises "to make it up" to Papa somehow. Indeed, Ruth's vision did come to realization, and on her side of the ledger, she can remember mother and Papa pleasantly, and make everything come out even.

A picturesque southern patio . . . the gentle breeze of the California winds . . . a quiet, serene June evening . . . indeed, an opportunity for real peace and a wonderful time for relaxation . . .

But love flies in and out of the McIntyre patio with greatest of ease to create laughter when stirred well with the adult spoon of interference and help. There's enchantment in the peace and fragrance of the spring-time of life—There's an intangible pathos too—in this exposition of youth experiencing disillusionings and making adjustments to the world.

Terry McIntyre, seventeen, is always sweet, but ignorant of human nature. Terry has her beaux in rapid succession, almost marrying the "wrong one", until the kindly intervention of Mother and Dad—Professor and Mrs. McIntyre—steers her over to the "right one".

Brian Stanley, the "right one", is an attractive young man of twenty-one. His well built, assured manner enables him to finally "throw out" the "wrong one"—Stewart Miller, a refined but ineffectual "mother's boy". Mrs. Miller, high strung as she is, is quite insulted at this action—and leaves the McIntyre patio, for good.

But poor Mother and Dad—they have a son, too—in love. George, good looking, earnest in manner and speech, has just finished his Freshman year in college. His love, Diane Gilmore, is "definitely" a pretty girl. However, George soon discovers that "the sweetest girl in the world" is only human after all. For a time he is completely disillusioned. Finally he realizes that he loves her anyhow, just as she is. At last George is growing up, and adjusting himself to some of the realities of life.

The many interesting and exciting friends of the children all help to give the Professor and his wife a time they'll never forget. But, throughout, Mother and Dad, now casually, now in great concern, discuss their youngsters' problems.

As George wipes off Diane's lipstick, the curtain falls on the Junior Play—enlivened by frequent bits of humor and a genuine study of the "inter-reactions" of parent and youngster, during the tender, romantic, impulsive "Young April" age.

Above: Well, let's let this alone!
Below: Isn't that cute!

1. That gang that sang "Happy Birthday!"
2. "That's the end of him—with my girl."

3. Really son, not lipstick?
4. A friendly roundtable—of gossip.

A "V" for Victory against Cal Coolidge.

FOOTBALL

SWATARA 0-0

After eight straight victories over Swatara, the Mechanicsburg Wildcats were held to a 0-0 tie by the Eagles, champions of the Lower Susquehanna League for the past three seasons, in the opening contest for both teams.

Although the contest was definitely hard-fought, the entire game was played without a single penalty being called on either team.

CALVIN COOLIDGE 27-0

A new opponent, Calvin Coolidge of Washington, D.C., fell to the M-burg Wildcats 27-0 in the year's second game.

Don Potteiger went over on the first play after the Wildcats took over the ball on the Coolidge one yard stripe.

Irv Alexander's 35 yard punt return to the 22 featured the second drive which ended when Gerry Wood scored from the four.

The Cats then rolled 85 yards to make the tally count, when Potteiger went the final 20.

In the third quarter, Wood climaxed an 83 yard drive with a 13 yard burst through the center for the final TD.

MIDDLETOWN 18-0

Coach Frederick's Wildcats defeated ex-Mechanicsburg Coach Seibert's Middletown eleven 18-0 in the first away game of the year. The Cats scored once in each of the first three periods, and for the third straight game kept their goal uncrossed.

Alexander scored the first points in the opening period after an 80 yard drive.

A Blue Raider fumble was recovered by Mechanicsburg on the opponent's 34 yard line and seven tries later Wood went over for the second tally.

On the first play of the second half, Potteiger raced 78 yards for the final score.

HERSHEY 0-26

All-State quarterback Ben Klingler sparked Hershey to a 26-0 victory over the Wildcats in the seasons first conference game.

The defending South Penn champions first score came in the initial period after receiving the opening kickoff. The tally ended the Cats unscored upon status at three games. The Orange and Blue then added another in the third stanza, and two more in the fourth.

Mechanicsburg's only real threat came just before the half when several completed passes moved the ball to within the 20 as the second period ended.

HANOVER 31-7

After a shaky beginning the Wildcats came from behind to defeat the Hanover Nighthawks, 31-7.

Hanover, who received the opening kickoff, moved to the M-burg 18 before stalling. The Wildcats fumbled on the 16 yard line and the Hawks recovered. Two plays later Hanover was ahead, 7-0.

Three tries after receiving the ensuing kickoff, Gerry Wood sliced over the the initial MHS score. The PAT attempt was not good.

Irv Alexander, on an end run, ran 68 yards for the score that moved the Cats ahead, 12-7.

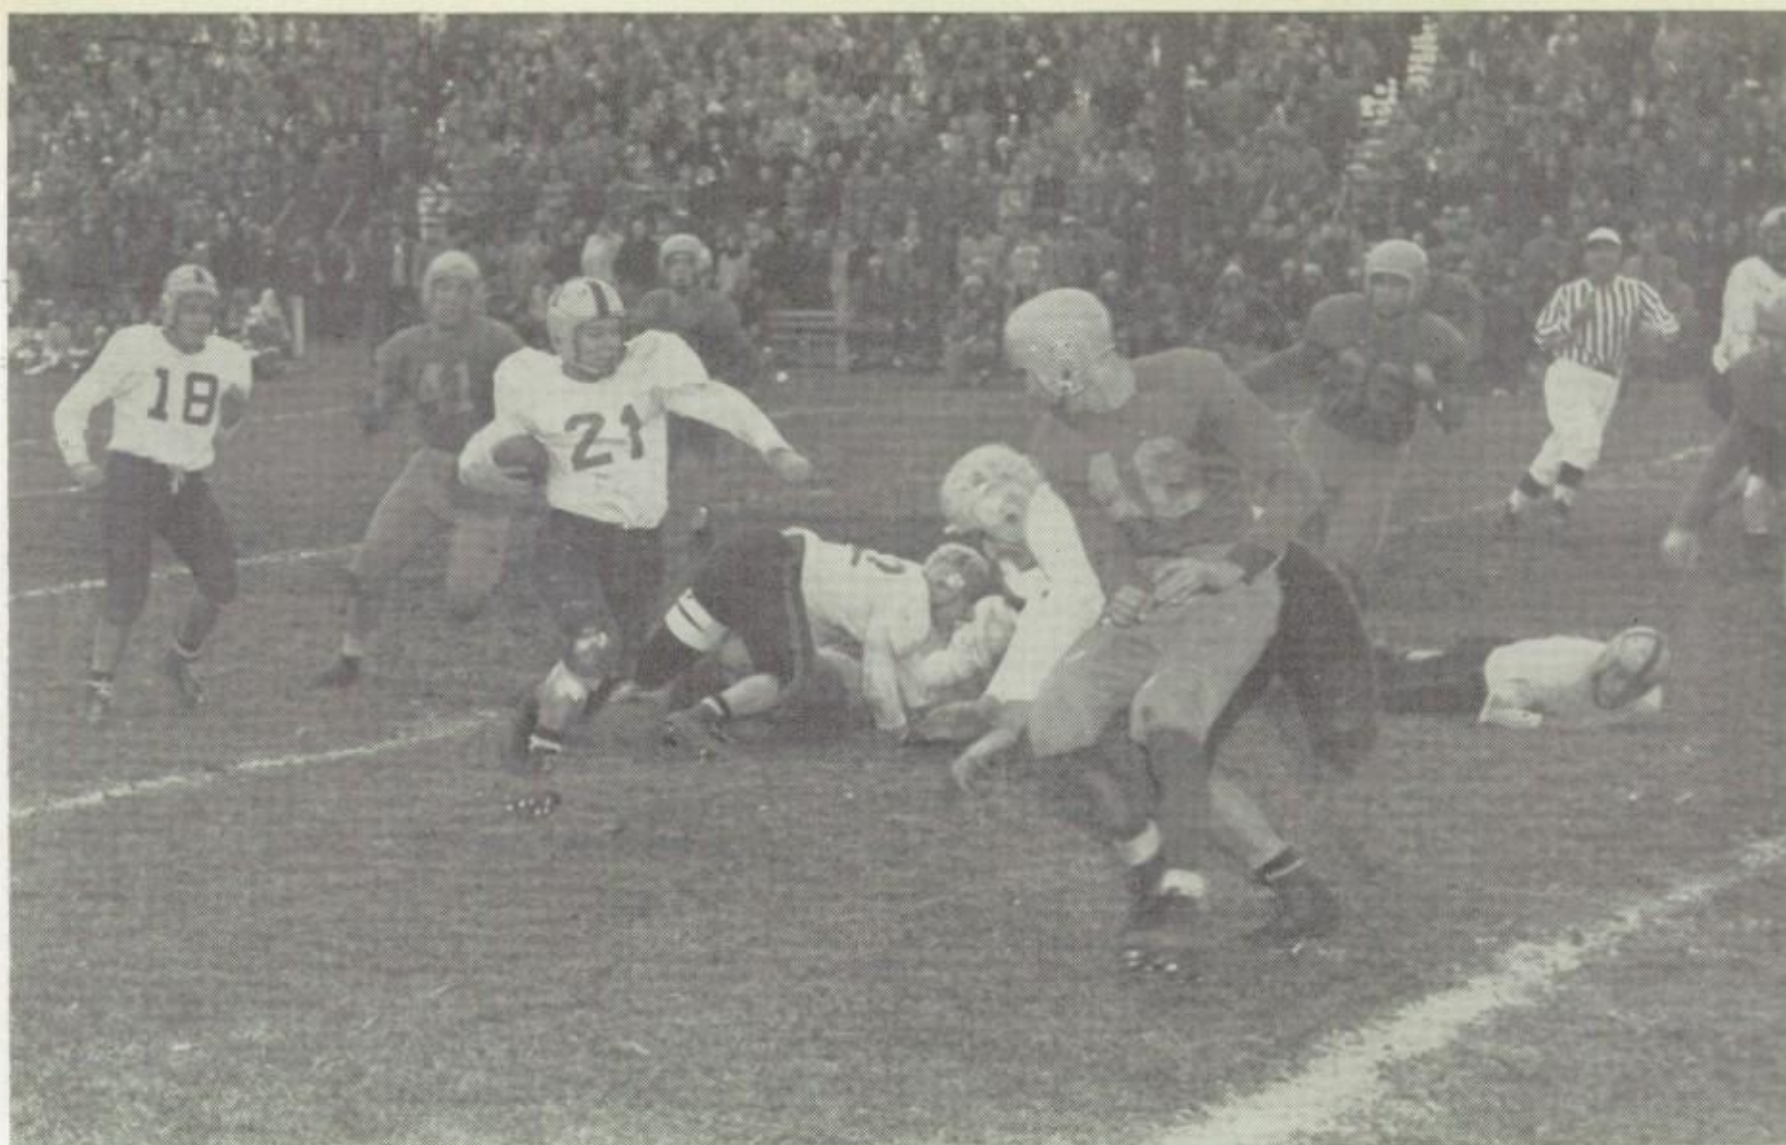

Wood chalked up the third score and Don Potteiger the fourth in the second period. Jack Quigley successfully kicked one extra point.

In the third frame, Bob Enck added the fifth tally on a quarterback sneak.

NEW CUMBERLAND 12-6

In the year's most thrilling encounter, the Maroon and Steel nosed out the previously undefeated New Cumberland Tigers in the last five seconds of play, 12-6. It was the Cats eighth straight grid victory over the Blue and White.

The heavier New Cumberland squad moved ahead, 6-0, in the waning minutes of the second quarter on a pass from Wolfe to Blazer to end the scoreless deadlock.

Alexander digs as Wildcats block a path against Carlisle.

It was in the third frame that Don Potteiger, ailing with an injured knee, entered the struggle. Early in the final period, the speedy back raced around the left end for the tying touchdown.

The Tigers were forced to kick on fourth down, and the Cats returned the punt to their own 18.

Assorted running and passing plays moved the ball downfield to the NC one yard line, with ten seconds remaining. On the next play, Gerry Wood barged over for the storybook ending.

WAYNESBORO 26-12

Victory number five was chalked up by the Wildcats as the Waynesboro Tornados were defeated 26-12.

In the second fray, after a scoreless first period, the Cats registered two touchdowns to lead at the half, 13-0.

Gerry Wood tallied the first six-pointer, while Irv Alexander added the second. Alexander also kicked the extra point.

The Cats scored once in the remaining two frames to end the MHS scoring at 26 points.

SHIPPENSBURG 33-0

Mechanicsburg rolled up their biggest score of the season with a 33-0 conquest over winless Shippensburg.

Feature attraction of the contest was the adept passing combination of second-string quarterback Bob Brackbill, and end Tom Fisher, who accounted for the final two markers in the fourth quarter.

M-burg six-pointers were collected by Irv Alexander, Gerry Wood, John Mackey, and Tom Fisher. Three extra points were booted successfully by Jack Quigley.

GETTYSBURG 12-0

A 12-0 verdict was recorded over the Gettysburg Warriors by M-burg, after a three day postponement was necessary because of a heavy snowfall.

Gettysburg fumbled three times within their own five during the first half, with MHS recovering all three. The Cats failed to

capitalize on any of them, however. The half-time score read 0-0.

Aided by three straight first downs, the Maroon and Steel moved to the four in the third period. On the next play Wood went through center for the first score.

In the last quarter, Bob Enck slipped through the right side of the line from the five for the second touchdown.

CHAMBERSBURG 0-7

Chambersburg's Trojans topped the Wildcats 7-0 to become co-champions of the South Penn with Hershey in a game finished behind a thick blanket of fog.

The second time Chambersburg took possession of the ball, they moved to the Wildcat 9. Ralph Tolbert swept around left for the lone tally on the next play. The extra point was booted by Chambersburg's Glenn Ott.

A third period 28 yard dash by Don Potteiger, after recovering a fumble on the MHS 26, was the contest's longest run.

An 11 yard pass from Potteiger to Alexander in the fourth period, moved the ball to the C-burg 23, for the Cats deepest penetration.

CARLISLE 6-0

Gerry Wood, Wildcat fullback, barged over from two yards out to give Mechanicsburg a 6-0 victory over Carlisle in the final home Thanksgiving Day game of the 34 year old rivalry.

The touchdown boosted Wood into a tie for individual high scoring honors in the South Penn with Hershey's Ben Klingler. Both tallied 60 points through the season.

Vance Weber, senior tackle, was elected honorary captain of the M-burg squad after the game.

Twelve seniors played their final game for the Maroon and Steel, as Coach Frederick's Cats completed the season with a record of eight wins, one tie, and two losses to end runner-up to the co-champions in the South Penn Conference.

HERSHEY 14-0—Long runs featured the JV's second contest, as the Wildcats dropped Hershey by a 14-0 count.

A 40 yard dash by Pete Byers and a 20 yard run by Dave Forney accounted for M-burg's two six-pointers.

NEW CUMBERLAND 13-0—The Cats revenged the 6-0 setback suffered in '52, and continued the '53 season unscored upon by defeating the New Cumberland junior varsity, 13-0.

Ken Smith went the final eight for the first score, and Pete Byers added the second TD from 10 yards out.

CHAMBERSBURG 6-6—Chambersburg spoiled the JV's clean record by holding the Wildcats to a 6-6 deadlock on the CHS field.

M-burg's lone touchdown was a three yard plunge by Byers.

BOILING SPRINGS 21-0—Touchdowns by Russ Panza and Dave Forney sparked Mechanicsburg to a 21-0 verdict over the Boiling Springs junior varsity.

Panza scored on a quarterback sneak, while Forney went 15 yards twice for the other Wildcat TD's.

CAMP HILL 47-6—Dave Forney accounted for four TD's to lead the way to an easy 47-6 victory over Camp Hill's JV's.

CAMP HILL 0-13—Football season opened for the Mechanicsburg junior high with the Cats on the short end of a 13-0 score at Camp Hill.

CARLISLE 21-13—With the score reading 0-13, the Wildcats registered three touchdowns and three extra points to defeat Carlisle's junior high 21-13 in the year's first home game.

Francis Bishop recovered his own fumble to tally the first TD. Don Fishel scored touchdowns on runs of 8 and 40 yards.

BOILING SPRINGS 14-13—Larry Miller's two extra point runs provided the margin of victory as the junior high squad nipped Boiling Springs, 14-13.

Miller also tallied the first touchdown on an eight yard run. Ron Humes tallied the second score from six yards out to knot the contest at 13-13.

M-burg's try for the final extra point was unsuccessful, but a penalty against the Bubblers gave the Cats another chance. On the second try, the Wildcats went across for the game's winning point.

HERSHEY 6-13—For the fourth straight game, Wildcat opponents scored 13 points against the M-burg junior high. At Hershey, the team lost a 13-6 decision.

HANOVER 19-41—Hanover's junior high overpowered Mechanicsburg 41-19 to remain undefeated.

Francis Bishop caught a pass that covered 65 yards for the first TD. Bob Walters added another on a wedge from three yards out. The third score was a 10 yard quarterback roll out by Larry Holtzman.

GETTYSBURG 6-13—The Cat defense again left 13 points through, as Gettysburg defeated M-burg 13-6 in the year's finale.

Bill Walters scored the lone touchdown for Mechanicsburg.

Mechanicsburg completed another unsuccessful basketball season with a record of three wins and fourteen defeats.

Under new coach, Mr. Tom Yost, the Wildcats offense averaged an all-time high of 51 points per game, however, their weak defense allowed an average of 62 tallies a game.

Don Kauffman, senior center, was the Cats high scorer for the second straight season with 198 markers. Bud Kohlhaas, who is only a sophomore, was again second high point-maker with 193 points. Other prominent scorers were: Bob Enck, with 137; Jim Tyson, with 103; Don Getz, with 83; and Barry Yerger, with 68 points.

In the three pre-conference contests, which were all played on the opponents' floors, the Maroon and Steel met three defeats: Camp Hill, champions of the Lower Susquehanna League, beat M-burg, 49-53; John Harris added a 57-64 verdict; and Steelton another, 43-56.

Opening league action, the Wildcats were dumped by Carlisle, 53-64 and Waynesboro, 45-52.

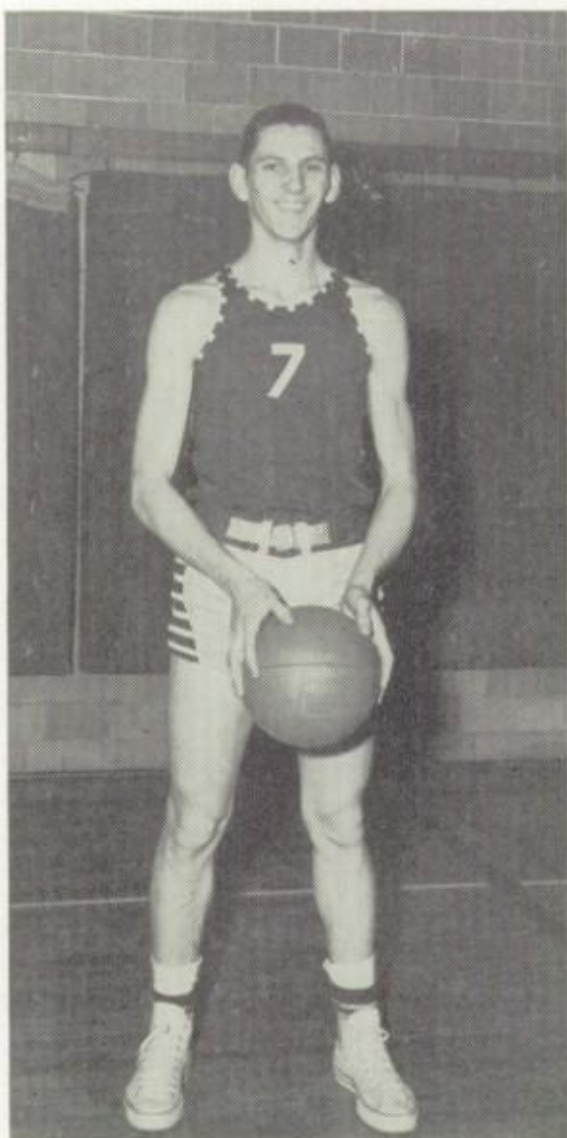

Finally, against Shippensburg, Mechanicsburg recorded a victory, 77-60. This count set a new scoring record on the MHS floor by surpassing Chambersburg's record of 75 points set in '51.

Six straight losses were suffered next by the Cats. These included Hershey, 32-67; Gettysburg, 51-62; conference champion Chambersburg, 49-72; Hanover, 48-58; Carlisle, 56-70; and Waynesboro, 50-75.

M-burg's second triumph was again over Shippensburg, this time the score was 57-53.

Three more setbacks were inflicted as the campaign neared its end. Hershey, who won the second half race but lost to Chambersburg in the play off game, defeated the Maroon and Steel, 45-63; Gettysburg won in the final seconds, 47-50, and Chambersburg's mighty Trojans made it eighteen straight over Mechanicsburg, 42-78.

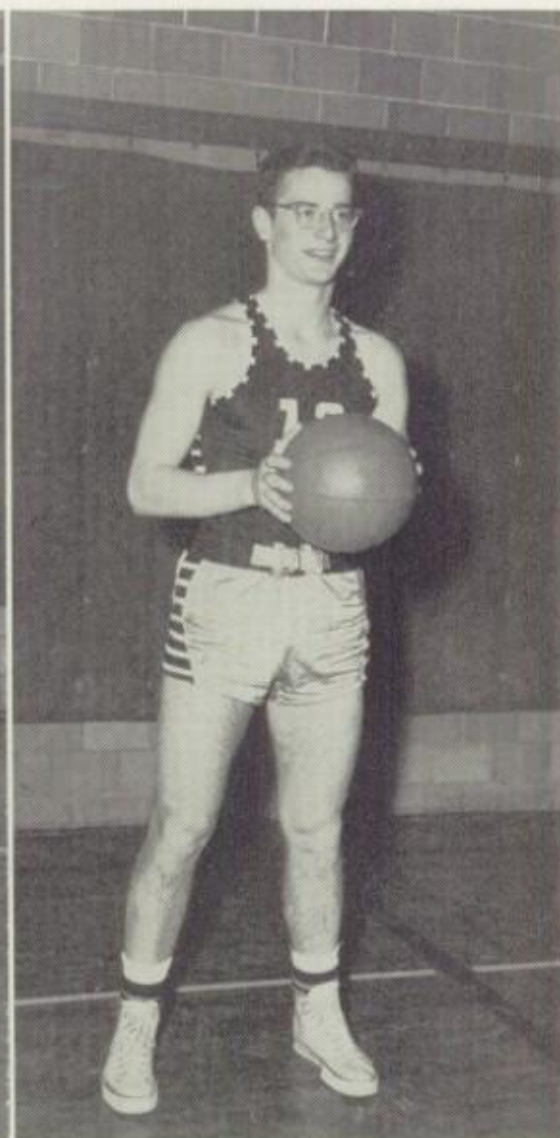

In the season's finale, a spirited MHS team gave its best performance of the year by knocking off Hanover, 63-55, as six Mechanicsburg seniors played their last game.

Hampered throughout the season by injuries the '53 edition of Mechanicsburg baseball was practically as dismal as the weather on the opening day of the season. If you remember the dreary day the Wildcats opened you will recall overcast skies and a third inning rain. That was the pattern of the season as the Cats lost all but one of their league games.

The lone victory proved an exciting game as Jim Price and Ken Herzog of Enola hooked up in a true pitchers duel. The locals edged the Panthers by a 3-2 score.

The injuries mentioned earlier felled two of the team's returning lettermen. John Heath was unable to throw because of a football injury to his shoulder and Jim Colban also had arm trouble. This knocked out the keystone combo from the previous year; it also created an aperture in the M-Burg infield which was later filled by players with only Junior Varsity experience.

Bob Enck was the leading hitter on the Wildcat nine as he posted a .289 mark.

Jack Quigley was the leading pitcher percentage-wise as he scored a victory over Shippensburg in his lone decision. Jim Price collected the other victory.

Don Seibert, now at Middletown, coached the team.

JUNIOR VARSITY BASEBALL

Mr. Martin's pride and joy, the M-Burg JV baseball team, posted a good record as he completed his first season at the helm of the Babycats.

The team played good ball throughout the season, especially considering the conditions they had to overcome. The rainy season of spring was a terrific hindrance to the boys as they tried to play the full schedule.

Except for the New Cumberland game in which they were routed, the Junior Varsity played competitive baseball with that never-say-die spirit which accounted for many of their close games.

Top individual honors in the hitting and pitching departments went to Bill Brandt and Ed Harne respectively. Brandt sewed up the hitting contest with a .368 mark. Harne was the little "big man" while on the mound for the Junior Cats as he posted a 3-1 won and lost record.

Perhaps the high point of the season was the Edison game at home when the Wildcats defeated the Harrisburg team by a score of 6-1 in a game featured by daring base running. Brandt stole home in a surprise

move late in the contest and Danny Wentz gave the partisan crowd a thrill as he moved around the bases in a series of actions consisting of a steal, a run-down play, and an error.

The 1953 Jayvees had a reasonably successful season and produced many promising ballplayers.

BASKETBALL

This year's varsity team totaled 448 points during the season with Sally Hoover and Bev Koser scoring high with 161 and 145 points respectively.

The girls started out the season by losing to Susquehanna and Hummelstown in their first two games. The Wildcats recovered, however, by taking Camp Hill only to lose to them in their next game by the narrow margin of six points.

Although the girls won only two games out of their eleven played, they gave the other teams quite a battle before relenting.

In jay-vee competition our girls took only three of the games played, losing seven.

Koser's favorite hook shot scores two points for the Wildcats.
